An act to add Section 11011.28 to the Government Code, relating to state property, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 1807, Runner. Surplus property: California Department of Forestry and Fire Protection fire station.

Existing law authorizes the Director of General Services to sell, lease, exchange, or transfer specified surplus state property in the state.

This bill would additionally authorize the director to sell, lease, exchange, or transfer the California Department of Forestry and Fire Protection fire station located in the Hesperia service area, subject to specified conditions. It would require the net proceeds of any moneys received from the disposition of the property to be paid into the continuously appropriated Deficit Recovery Bond Retirement Sinking Fund Subaccount, thereby making an appropriation.

This bill would declare that it is to take effect immediately as an urgency statute.

Appropriation: yes.

The people of the State of California do enact as follows:

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that the surplus property described in Section 1 of this act may be disposed of at the earliest possible time, it is necessary for this bill to take effect immediately.
